

PANEL DISCUSSION

Hot and Windy: on the future of our energy

How offshore wind and solar energy are reshaping the renewable energy scene

Panelists

Moderator

Irina Kustova
*Researcher at the Centre for
European Policy Studies (CEPS)*

Hyun-Goo Kim
*Principal Researcher, Chief
New-Renewable Energy
Resource Map Lab.
Korea Institute of Energy
Research*

Pieter Jan Jordaens
*Program manager on & offshore
wind at Sirris
Operating officer at OWI-Lab*

Sarah Moeremans
Thomas More University college

Kwangtae Ha
*Research Professor at Floating
Offshore Wind Energy
Department of University of
Ulsan*

Date and Time

TUESDAY, MAY 10TH, 2022

4:00 PM (UTC+9)
