

Dealing with complex systems

INTRO SHORT

Dealing with complex systems

SOLUTION FOCUS APPROACH

Approach to define next actions

LINKING 'THINK BIG' TO 'SMALL SCALE NEXT ACTIONS'

- 1** Future Perfect
What we want to achieve
- 2** Key areas
You want to make progress in in order to achieve that future perfect
- 4** How we will notice progress and all the next small steps we can take to make that happen
- 3** Progress already made in these areas
And what already worked well!
